Education

2022 - 2023
ISTA • Oued-Zem
Diploma of Specialized Technician in Full Stack Web Development

2020 - 2021
Al Moukaouama High School
Baccalaureate in Physical Sciences

2019 - 2020
Online
Self-Taught

I started learning algorithms and how to solve programming problems most effectively. After that, I implemented what I had learned using Pascal, an imperative and procedural programming language designed by Niklaus Wirth. After acquiring the fundamentals of programming, I chose web development as my career path.

Experience

Mohamed Mokhtari
Chrome Extensions Developer, SifuPlex
